Participatory Budgeting in the 36th Ward

BALLOT

ALL DAY VOTING
April 26th - May 6th
36th Ward Office, 6934 W. Diversey Ave.

VOTING ASSEMBLIES
- Monday, April 25th 5 - 7pm
  36th Ward Office, 6934 W. Diversey Ave.
- Friday, April 29th 10am - 8pm
  Locke School, 2828 N. Oak Park Ave.
- Saturday, April 30th 10am - 2pm
  Iglesia Evangelica Emanuel, 5016 W. Armitage Ave.
- Thursday, May 5th, 4:30 - 6:30pm
  North Grand High School, 4338 W. Wabansia Ave.
- Saturday, May 7th, 10am - 2pm
  Bell Park, 3020 N. Oak Park Ave.

VOTING INSTRUCTIONS:
Please note, you will be asked to vote on two separate ballot questions.

First, you will be asked to cast one (1) vote on the percentage of the 2016 36th Ward aldermanic menu budget that you believe should be devoted exclusively to street resurfacing. The average of all the votes cast on this question will determine the percentage of the menu budget that will be allocated to street resurfacing.

Second, you will be asked to vote on how the remainder of the 2016 36th Ward menu money should be allocated. You may vote for up to three (3) projects. Only one vote may be cast for each project – no weighted voting. Ballots marked with more than 4 votes are invalid and will be voided. All 36th Ward residents, age 14 and over are eligible to vote.

HOW TO CAST YOUR VOTES:
Mark boxes clearly with an “X” or check mark, or fully shade them in, with black or blue ink. No ballots marked in pencil will be accepted.

The projects that win the most votes, up to $1 million, will be submitted to the City of Chicago and its sister agencies for implementation. See the back of the ballot for more details.

Alderman Gilbert Villegas
Alderman Villegas will submit the projects that win the most votes, up to $1 million, to the City of Chicago and its sister agencies for implementation. All the projects listed on the ballot are feasible to the best of our knowledge, yet most require final approval from the City of Chicago or its sister agencies. Thus, while Alderman Villegas pledges to request funding and advocate for the winning projects, he cannot guarantee that the government agencies will grant final approval to each and every project request.

Reasons that projects may not be approved include: interference with previously planned projects, legal restrictions, and policy decisions of the governmental entities. If a winning project cannot be implemented for any reason, Alderman Villegas will use the allocated money to fund the next runner-up project that falls within the budget.

Not all of the funded projects will be completed in the 2016 construction season. Required project approval procedures or construction work by utilities or other agencies may prevent some projects from being completed this year. Funds for projects not completed this year will be held in reserve and used to complete the projects in the following year(s). For up-to-date information on the status of the various projects, contact the 36th Ward Office at 773.745.4636 or email Justin.Heath@cityofchicago.org.

All projects on the ballot were suggested and vetted by 36th Ward residents. Initial suggestions for projects came out of brainstorming sessions at a series of neighborhood assemblies held throughout the Ward in December 2015 - January 2016. The suggestions were then deliberated and researched by neighborhood residents who volunteered at the neighborhood assemblies to serve as “community representatives.”

From January 2016 through April 2016, the community representatives met regularly in committees to decide which project proposals to place on this year’s ballot. The proposals were submitted to 36th Ward staff for final input and review.

Participation in the 36th Ward participatory budgeting process as a community representative and/or as an attendee at a neighborhood assembly was entirely voluntary and open to all 36th Ward residents regardless of citizenship or voter registration status.

The PB Chicago City-Wide Steering Committee developed the rules and procedures for this process. For a list of all members of the committee, visit www.pbchicago.com.

Many thanks to the community representatives and the 36th Ward PB leaders and volunteers for their dedication and service to this bold experiment in direct democracy. Also thanks to the many dedicated employees at the City of Chicago, the Chicago Park District, the Chicago Transit Authority, the Chicago Public Schools, and the Chicago Department of Transportation for their expertise; and to the PB Chicago City-Wide Steering Committee for their expertise and guidance of the process.
What percentage of the total budget should go toward street resurfacing?

Resurfacing is necessary to address streets and sidewalks that have deteriorated, are safety hazards and are generally in poor condition. Residents, businesses and visitors to the 36th Ward will benefit from improved safety when traveling in the ward.

Menu money is the only available funding for residential street and sidewalk resurfacing in Chicago’s wards. Thanks to a federal subsidy, the cost for the first five blocks of resurfaced streets is $42,000 per block. The average cost for each street resurfaced in addition the initial five is $70,500.

(Please select only one.)

BALLOT QUESTION NUMBER 2

How should the remaining portion of the 36th Ward menu money be spent?
You may vote for up to three (3) projects from the projects below.

(Select no more than 3.)

☐ 1. Sidewalks
   Sidewalks are very expensive and unfortunately not a priority for City Hall. This project
   would get 3 total sidewalks done, the west side of 2700 Newcastle and both sides of 2300
   Normandy.
   $225,000

☐ 2. Blackhawk Park Basketball Court
   The basketball courts at Blackhawk Park desperately need repairs and new rims! This up-
   grade will fix the courts and add removaible rims so the courts can be used at day but not
   at night. Location: Blackhawk Park - 2318 N Lavergne Ave.
   $35,000

☐ 3. Crosswalk at Belmont and Natchez
   Crossing Belmont Ave is dangerous and this new crosswalk at Natchez Ave will help. Very
   close to a school and a bus stop, this crosswalk is a matter of safety and convenience.
   $90,000

☐ 4. Trees in Parks
   Our parks have lost hundreds of trees due to disease and infestation in the last few years.
   Now we can replace those trees with a variety of trees that will survive for decades to come.
   Locations: Bell Park, Rutherford-Sayre Park, Blackhawk Park, Hermosa Park
   $10,000

☐ 5. Prosser Community Garden
   The students at Prosser want to share their garden with the community! To do that they will
   need a path, wheel chair access, additional lighting and new beds.
   Location: Prosser Career Academy - 2148 N Long Ave.
   $22,000

☐ 6. Wall at Hermosa Park
   Hermosa Park is a great place for kids and families, but it needs a wrought iron fence to
   keep the kids safe. Installing a fence will keep kids safe and add to the beauty of this won-
   derful park. Location: Hermosa Park - 2240 N. Kilbourn Ave.
   $30,000

☐ 7. Bell Park New Water Spray Feature
   A NEW interactive, colorful, on/off water spray feature serves all neighborhood children and
   improves Bell Park. The current water feature flows non-stop all summer, wasting tax dol-
   lars. Location: Bell Park - 3020 N. Oak Park Ave.
   $150,000

☐ 8. North Grand High School Mural
   The NGHS Student Voices Committee would like to create and install a mural celebrating
   the beautiful culture and vibrant community of the 36th Ward. Location: Railroad Overpass –
   Kostner and Bloomingdale
   $45,000

☐ 9. Field at Locke School
   The students of Locke school have been without an outdoor place to play for years. This
   turf field would provide an outdoor space for kids to exercise and learn 12 months a year!
   Location: Josephine Locke Elementary School - 2828 N. Oak Park Ave
   $200,000
